

Threaded couplings - adaptors type ADN

Adaptor with BSP, BSPT male thread on both sides

Sealing: flat (butt) - BSP; on thread (Teflon tape) - BSPT. Working pressure: 25 bar Reducing adaptors available

* - also available in AISI 316 stainless steel, example index: TI-ADN-01-150-150-SS316

Threaded connectors - blanking plugs type BK, BS

Screw plugs with BSP female thread, BSP male thread and BSPT male thread

Sealing: flat gasket (included); PTFE for stainless steel, polyurethane for brass (applies to female thread) flat (butt) - BSP; on thread (Teflon tape) - BSPT (applies to male thread)
